

Masterlock Lockbox Instructions

TO OPEN

1. Flip rubber lid down to access the combo lock.
2. Select the three digit code to unlock the box.
3. Press panel and the panel should pop forward.

4. Flip compartment panel open to remove keys.

TO CLOSE

1. Place keys inside.
2. Push or squeeze front close.
3. While the lock compartment panel is closed, scramble the combination to lock the unit.

Note: combination code will be sent to you.
