

## Sunnyvale Alliance Soccer Club Competitive Program Fees and Cancellation Policy (Updated 6/15/2023)

---

### Competitive Program Fees

SASC collects a Club Fee per soccer year and a refundable Volunteer Fee for each of the Fall and Spring seasons.

#### Club Fee

Players registering for our program make a full soccer year commitment. Annual program for U8-U14 includes Fall Season, Winter Training and Spring Season. Annual program for U15-19 includes Fall Season and Spring Season with an option to participate in Winter Training (additional fees assessed). We understand that not all players are able to participate year round. Please use the following deadlines to modify payments:

- Winter Training opt-out deadline (U8-U14): November 10
- Winter Training opt-in deadline (U15-U19): December 15
- Spring Season opt-out deadline: January 10 (Not applicable to Pre-NPL/NPL/ECNL teams)

#### Volunteer Fee

SASC is a volunteer run organization, and as such we need help from all of our families to keep it running. The Volunteer Fee Policy is available on the SASC website.

### Cancellation Policy

We plan our staffing and allocation of resources for each season with the commitment you make. As such, we do not allow mid-season cancellations. Cancellations are accepted for extenuating circumstances around injuries, illnesses and out of area moves. Verification may be requested. Payments rendered remain non-refundable and adjustments will be made for any future payments as appropriate.

If a family leaves the SASC Competitive Program mid-season, they must still fulfill their volunteer requirements in order to receive a refund of that season's Volunteer Fee.

### General information

- Requests will be processed using an effective date of when the request was made or the date the injury occurs. Requests will be addressed within 2 weeks.
- All requests to stop payment must be submitted on <https://www.sunnyvalesoccer.org/refund>. An email to the player's coach and manager is also appreciated. Once a cancellation/withdrawal request is received and the player is removed from the program, the player can no longer attend training sessions, games, or other SASC activities.
- You may be still responsible for Team Fees. Team Fees are set by each team and have their own conditions. Due to financial commitments made by each team to leagues, tournaments, and equipment as teams are formed, it is highly likely that the Team Fee is non-refundable. Contact your Team Manager for more information.

### Exceptions

Exceptions to this policy will be handled on a case by case basis.

**Payment Schedule**

	<b>Non High School Team (U8-U14)</b>	<b>High School Aged Team (U15-U19)</b>
<b>Fall Season Payments</b>	1st payment at the time of registration (includes Fall Volunteer fee)	
	August through November on the 5th	
<b>Winter Training Payments</b>	December and January 5th	N/A
<b>Spring Season Payments</b>	February 5th (includes Spring Volunteer Fee)	
	March through May on the 5th	

Registrations made after the Regular Registration Deadline incur a late registration penalty for returning players. If a new player joins after September, their fees will be prorated.
