

Sunnyvale Alliance Soccer Club  
Volunteer Policy  
(Updated 5/25/2022)

---

Sunnyvale Alliance Club is a non-profit organization, which depends upon volunteers to run the club successfully. Thank you to those who give their time generously.

For each SASC competitive player, families are asked to pay a \$200 volunteer fee during the annual registration with the club. The annual registration includes the Fall, Winter and Spring seasons. \$100 is towards the Fall Season volunteering and the \$100 is towards the Spring season volunteering. Families joining in the Winter or Spring will be asked to pay a \$100 volunteer fee.

Families have three options on what can be done with their volunteer fee:

1. Volunteer and satisfy their volunteer commitment. SASC volunteer work needs to be fulfilled by an adult 18 or older; however, players aged 13-17, who are supervised by an adult, may be accepted for some jobs at the discretion of the SASC Volunteer Coordinator. Volunteers may volunteer for any combination of approved SASC jobs totaling a minimum of 3 hours. Families that are receiving financial aid assistance are required to volunteer a minimum of 6 hours per family. The various volunteer jobs are posted in the iVolunteer program link found on SASC website. Each season, the \$100 volunteer fee can be earned back after the minimum of 3 hours (or 6 hours if on financial aid program) has been completed for each player. Examples of jobs include: shift at picture day, field layout or lining, or approved SASC positions like; team manager, recreation team Head Coach, etc.
2. Do nothing and their volunteer fee is accepted in lieu of their volunteer commitment. If they prefer not to sign-up for a volunteer activity or position, the club will apply their volunteer fee towards hiring resources to fulfill the jobs necessary to run the club.
3. Volunteer and Donate their Volunteer Fee. If they satisfy their volunteer commitment AND decide not to request a reimbursement, the volunteer can donate their fee to the club for the registered season. Their donation is tax deductible.

Families will receive emails for volunteer opportunities throughout the year and as well as instructions on reimbursement deadlines for the season.
